

Jobsulting - The #1 Platform for Management Consulting Jobs

Consulting Quest Has Launched their Recruiting Platform, Jobsulting! Consulting Firms and Recruiters Now Have a Dedicated Platform for Posting Consulting Opportunities and Searching for Candidates!

PRINCETON, NJ. Jobsulting was created to meet the hiring demands of consulting firms by modernizing the way companies attract, engage and hire top talent, through a candidate-friendly, unified cloud platform.

Jobsulting is a Consulting Quest service platform aimed to facilitate the recruiting efforts of consulting firms. It is the only management Consulting-focused global recruiting platform that partners with consulting firms to link their demands to the right talent.

The platform serves as the hub for talent acquisition as it supports every aspect of recruiting, from attracting, to screening and hiring. Regardless of the type of recruiting needs, the specific skillset or expertise levels consulting firms are searching for, Jobsulting will lead companies to the right candidates and assist them throughout the entire hiring cycle.

Specific Search services for senior management roles are also offered upon request. For Members of Consulting Quest's Network, Jobsulting is a complementary tool that brings additional value to the companies at no cost, on top of the privileged access to a suite of other offerings.

"We felt there was a demand for a more time and cost-efficient way to search for consulting talent", says Helene Laffitte, CEO of Consulting Quest, "but there wasn't one that served the Consulting Industry and its specific needs. This is a platform built for consultants by consultants using industry specific search terms to ensure recruiters and consulting firms can quickly locate candidates with the right expertise."
